

Project Manager: HIV Care and Treatment

The International Charitable Foundation “Alliance for Public Health” is a leading non-governmental professional organization which makes a significant impact on the epidemics of HIV/AIDS, tuberculosis, viral hepatitis and other socially dangerous diseases in Ukraine in cooperation with state partners and civil society organizations through providing financial and technical support to relevant programs, which cover over 300,000 members of most vulnerable populations, which is the highest indicator in Europe. Alliance team includes over 100 professionals who are based in Kyiv

Purpose: to provide effective management of the **HIV Care and Treatment** project which aims to improve access to HIV care and treatment and improve the quality of the provided health care services in 12 PEPFAR prioritized oblasts, funded by the CDC/PEPFAR. The Project Manager is responsible for implementation of the Project's day-to-day activities, including line management of project officers, project planning, budget utilization control, control over the target's achievement on HIV testing, HIV case finding, linkage and retention on ART and reporting.

The Project will be focused on the following activities:

- 1. Logistical support and monitoring:**
 - 1.1. Support in ART delivery to the remote areas sites and patients;
 - 1.2. Blood sample transportation to the regional laboratories.
- 2. Differentiated services for patients with additional needs:**
 - 2.1. Management of patients with advanced diseases;
 - 2.2. Legal support to patients in renewal essential documents needed to start the ART.
- 3. Retention and adherence support:**
 - 3.1. Tracking patients who missed scheduled ART refill and clinical check appointments;
 - 3.2. Re-engagement in HIV;
 - 3.3. Additional adherence counselling;
 - 3.4. VL suppression and test coverage monitoring.
- 4. Continuous quality improvement (CQI)**
 - 4.1. Extension of the working hours at ART sites and laboratories;
 - 4.2. Test and Start: a) support in timely ART initiation/ART expansion; b) support in PrEP;
 - 4.3. Semiannual round tables.

Contract type: civil contract till September 30th, 2021 with possibility of extension.

Core Requirements:

- Strong commitment to confronting HIV/AIDS and motivation to work;
- Experience in HIV prevention, care and support including overseeing the development and implementation of HIV/AIDS programs in Ukraine;
- Strong strategic planning, analytical, conflict resolution and organizational skill;
- Outstanding communication and presentation skills;
- Working experience with/in HIV-service organizations, local NGOs, governmental, and/or international institutions is required;
- Knowledge of epidemiological situation in Ukraine and specifics of HIV/AIDS programs in the regions is desirable;
- Relevant University degree (Public Health, Social Work, Medicine etc.);
- Good command of written and spoken Ukrainian and Russian. Knowledge of English is an advantage;
- Strong communication and presentation skills. High level of interpersonal skills and integrity; solid team player;
- Strong analytical and report writing skills are required;
- Ability to perform assigned tasks independently and meet tough and multiple deadlines;
- High level of computer literacy;
- Ability to think clearly and precisely articulate is essential;
- Readiness to go to business trips and work full time.
