How to apply: Please send your CV and a covering letter in English and Ukrainian/Russian to vacancy@aph.org.ua. Subject line should contain “**Project Officer: HealthLink**”.

Deadline for applications: 6 pm, November 24th, 2020.

Only successful candidates will be contacted for an interview.

The International Charitable Foundation “Alliance for Public Health” is committed to equal opportunities and welcomes applications from appropriately qualified people from all sections of the community. Qualified people living with HIV/AIDS are particularly encouraged to apply.

DESCRIPTION OF SERVICES

Title: Project Officer

Team: HealthLink Project

Department: Program

Contract Type: civil contract for 1 year with possibility of extension

The HealthLink Project «Accelerating Ukraine's Efforts to End HIV» are focused on accelerating the process of overcoming the HIV epidemic in Ukraine due to an opportunity of testing for HIV quickly and securely and starting the treatment as soon as possible. The project is being implemented by the Alliance for Public Health, in partnership with the All-Ukrainian Network of PLWH, funded by the U.S. Agency for International Development (USAID). The main goal of the project is to improve access of people living with HIV and people at high risk of infection to high-quality services for the infection prevention and treatment and high-quality medical and social support, as well as reduction of stigma and discrimination of people living with HIV from the side of medical workers.

HealthLink is a five-year project that will be implemented throughout 2017-2022 in 12 PEPFAR regions of Ukraine.

PURPOSE: to ensure effective implementation of assigned activities related to HIV prevention, detection, care and treatment at the national and regional level in close collaboration with relevant governmental and non-governmental organizations, as well as activities related to the development of technical and organizational capacity of local partner organizations implementing programs in the field.

REQUIREMENTS:

- Strong commitment to confronting HIV/AIDS and motivation to work;
- 2 years of experience in HIV prevention for MSM, care and support including overseeing the development and implementation of HIV/AIDS programs in Ukraine;
- Working experience with/in HIV-service organizations for MSM, local NGOs, governmental, and/or international institutions;
- Knowledge of epidemiological situation and specific characteristics of HIV/AIDS programs for MSM in Ukraine (desirable);
- Relevant University degree (Public Health, Social Science, Medicine etc.);
- Excellent command of written and spoken Ukrainian and Russian. Ability to read and understand English texts is essential. Knowledge of English at intermediate level is an advantage;
- High level of computer literacy, including all standard office applications including Excel;
- Ability to perform assigned tasks independently. Ability to meet tough and multiple deadlines.
- Readiness to travel within Ukraine.

DUTIES:

1. Manage day-to-day technical, administrative and financial operations related to assigned activities (prevention for MSM, care and support, PrEP);
2. Implement project improvements and innovations based on available evidence;
3. Coordinate all aspects of Alliance-funded activities, monitor and evaluate Alliance-funded projects implemented by partner MSM-organizations in the field, provide focused technical support to the Alliance partners/grantees;
4. Coordinate general program communication with the partners/grantees, including regular grantees' meetings;
5. At implementation level, coordinate all phases of subcontract cycle from needs and situation assessments to report and other data analysis;
6. Monitor timely submission of reports and other relevant documentation from partners;
7. Assess the capacity and prioritize the needs of potential partners/grantees, participate in evaluation of project proposals/applications submitted to the Alliance by applying organizations;
8. Contribute to the development and implementation of plans for the delivery of technical assistance to partners;
9. Provide ongoing remote and on-site mentoring of partners in relation to various phases of project implementation including assessments, intervention design and evaluation;
10. Suggest appropriate structural, managerial, financial and programmatic solutions to achieve optimal results at Alliance and partners' level;
11. Collect, process, analyze and present relevant information required to ensure effective implementation of the assigned activities;
12. Work with the rest of the Alliance team to identify and utilize synergies in working activities;
13. Contribute to the evaluation and strategic review of the Alliance programs;
14. Attend relevant professional meetings to exchange information and represent the interests of the Alliance in the assigned areas;

15. Contribute to preparation of reports to donor agencies and other relevant institutions as appropriate;
16. Support Project Manager in conducting regular meetings with stakeholders;
17. Process internal documents;
18. Undertake other duties as required.
