

IT Systems' Manager

The International Charitable Foundation "Alliance for Public Health" is a leading non-governmental professional organization which makes a significant impact on the epidemics of HIV/AIDS, tuberculosis, viral hepatitis and other socially dangerous diseases in Ukraine in cooperation with state partners and civil society organizations through providing financial and technical support to relevant programs, which cover over 300,000 members of most vulnerable populations, which is the highest indicator in Europe. Alliance team includes over 100 professionals who are based in Kyiv.

Purpose: To ensure technically efficient, reliable and secure operation of Alliance Ukraine IT systems and services.

Contract type: civil contract.

Core Requirements:

- Minimum of 5 years Information Technology Systems' operation and administration experience with relevant educational background.
- Good knowledge and practical experience with modern Information Technology systems, specifically Microsoft server and client operation systems and infrastructure, messaging systems (specifically Microsoft Exchange), virtualization and storage technologies, network technologies and equipment, including network security, computer and communication hardware.
- Solid team player.
- Complex technical problem resolution expertise.
- Good communication and learning skills.
- Knowledge of English language sufficient for clear understanding of technical documentation and other relevant information materials.

For additional information on the organization as well as its programmatic activities and the positions announced, please visit our web site: <http://www.aph.org.ua/>

How to apply: Please send your CV and a covering letter in English and Ukrainian/Russian to vacancy@aph.org.ua. Subject line should contain "IT Systems' Manager".

Deadline for applications: 6 pm, October 12th, 2022.

Only successful candidates will be contacted for an interview.

The International Charitable Foundation "Alliance for Public Health" is committed to equal opportunities and welcomes applications from appropriately qualified people from all sections of the community. Qualified people living with HIV/AIDS are particularly encouraged to apply.
